

MJ-DW901

100W Solar Light WIFI Camera

Product Features:

- 100W lamp total power
- 1080P (1920*1080P) full HD video
- Motion detection and activity alerts
- WIFI connection and remote monitoring by TuyaSamrt APP
- TF card circulate recording video
- High conversion rate of monocrystalline silicon solar panel
- High capacity lithium battery
- Intelligent light and remote control
- IP67 waterproof rating
- 360 degree adjustable angle bracket design

Specifications:

Model: MJ-DW901	
Camera	
Resolution	2MP (1920*1080P @25/30fps)
Image sensor	1/2.7" CMOS
Lens	4mm
Video compression	H.264+ / MPEG
Memory card	Up to 128GB (16, 32, 64, 128 Optional)
White balance	Auto
Digital NR	3DNR
Motion detection	Radar Four-zone motion detection
Network	WIFI
Night vision	LED auxiliary light, day and night full color image
Mobile APP	TuyaSmart
Lamp	
Lamp total power	100W
Product shell	Aluminum alloy
Ingress protection	IP67
Lamp bead	82pcs 2835 Highlight beads
Lamp panle size	217*179*45mm
Led optical lens	Polycarbonate high transmittance spotlight
Color temperature	6500K-7500K
Solar Panel	
Solar Panel	Polycrystalline solar panel
Solar panel Power	5V/18W
Battery	Lithium battery
Battery Capacity	12 A•h
Power control system	Intelligent power management system
