US-SDO225FL / US-SDO425FL

2MP/ 4MP 2.5inch Wifi Floodlight Speed Dome Camera

Features:

- 2MP / 4MP Floodlight Speed dome

- 2.5inch mini housing

- Siren alarm, with different alarm voice

- Sound detection

- Dual light warning, alarm push

- Motion detection, auto tracking

- TF card circulate recording video, and cloud storage too.

- Two way audio

- 20pcs infrared led light + 18pcs white light, 3 light mode

- IP65 waterproof rating

- Pan 355 degree & Tilt 90degree

Specifications:

System	operating system	Embedded LINUX operating system
Video	Image Sensor	2MP(1920x1080) /4MP(2560×1440) Pixel CMOS
	Image coding standard	H.264
	Video standard	PAL,NTSC
	Image motion detection	support
	Minimum illumination	0.1LUX/F1.2
	Lens	3.6mm
	Video rotation	Support
	Coding standard	amr
	Audio input	support
	Audio output	support
	Video mode	Manual recording, dynamic detection recording, timing recording, alarm recording
	Video storage	TF card, Maximum support 128GB
	Remote update download	Support
Sound	Sound detection	Yes
Light	Dual light	20pcs infrared led light + 18pcs white light
Alarm	Light warning	Yes
	Siren alarm	Yes
	Motion Detection	Yes
Network	Ethernet	1 RJ45 interface, 10/100M adaptive, support wireless
	wireless network	802.11b/g/n
	Stream	Triple stream
	Network protocol	Support TCP/IP、RTSP、ONVIF
	Cloud networking	Support
	APP	Tuya Smart / SmartLife
Expand	IR-CUT	Support
	TF card	Support
Power Supply	power supply	DC 12V 2A
	power consumption	24W
Environment	Work Temperature	0℃－＋55℃
	Smart dual light	20pcs infrared, 18pcs white light
Other	Gross Weight	0.7KG
